

Equipment Leasing

Your equipment and financing partner.

our mission

Our **mission** is to offer our clients the most professional, cost-effective and strategic equipment and financing solutions possible.

It is founded on our **belief** that your success as a business depends on objective, honest, and reliable information about the equipment you use and the financing you need.

Our **promise** is to deliver customized equipment and flexible leasing solutions for your particular company, that continually set a higher standard to meet your needs.

All of which leads to our ultimate **goal**—to help you grow a successful business with Summit Funding at your side as a trusted and long-term equipment and financing partner.

your advantages

At Summit Funding Group, we believe leasing is a strategic and financially prudent choice for any business to remain up-to-date technologically.

That's why we offer competitive leasing solutions that are cost-effective, as well as, effective.

Our Lease Programs provide our clients with a set of valuable advantages:

- 100% financing at fixed interest rates.
 - A flexible way to obtain and maintain up-to-date business technology.
 - Valuable cash resources to build your business, rather than spend money on rapidly depreciating technology.
 - An additional source of business funding to establish a new line of credit while keeping existing lines of credit open.
 - Off Balance Sheet Financing.
- An intelligent approach to handling complex leasing solutions.
 - Equipment leasing solutions, asset management and detailed customized billing services tailored to suit the special demands of every client.
 - A pre-approved line of credit to order equipment when you need it.
 - Simple and straightforward lease documentation.
 - A customized Master Lease to meet your exact requirements.
 - Term options that match the life cycle of your equipment to your lease term.
 - A simple return policy at the end of your lease agreement.
 - Exceptional experience designing one-of-a-kind leasing solutions for both domestic and international clients.

about summit funding

Since its inception in 1993, the Summit Funding Group, Inc. has grown to become a full service leasing company that buys, sells, leases and remarkets both new and used capital equipment to corporate clients located throughout the United States.

Our continued success in the industry comes from the flexible, innovative and value-added approach we apply to all of our operating and finance leasing solutions, whether dealing with computer equipment, machinery or office furniture.

Summit currently operates offices in all major markets. These offices, in addition to the Company's administrative headquarters in Ohio are manned by experienced direct end-user salespeople and are specifically located in areas where Summit has built up a core base of retail customers.
