

Equipment Acquisition

Your equipment and financing partner.

our mission

Our **mission** is to offer our clients the most professional, cost-effective and strategic equipment and financing solutions possible.

It is founded on our **belief** that your success as a business depends on objective, honest, and reliable information about the equipment you use and the financing you need.

Our **promise** is to deliver customized equipment and flexible leasing solutions for your particular company, that continually set a higher standard to meet your needs.

All of which leads to our ultimate **goal**—to help you grow a successful business with Summit Funding at your side as a trusted and long-term equipment and financing partner.

your advantages

Operating independently from computer manufacturers, the Summit Funding Group offers a wide array of new, as well as used/refurbished equipment, for the maximum in flexibility, innovation and value.

Flexibility

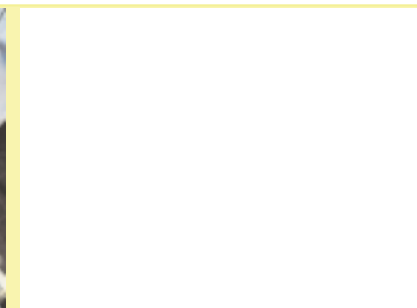

- Our flexible equipment solutions allow for computer packages that are specifically tailored to meet your company's needs.
- We can supply almost any equipment you require.
- We can act quickly and efficiently—providing you with information and answers in as little turnaround time as possible.
- Customers have the ability to buy, sell, trade-in and/or exchange equipment.
- Upgrades, memory, channels, feature additions, reconfigurations and downgrades are almost all readily available and easily implemented when you need them.

Innovation

- Summit Funding offers a wide range of manufacturers' products to keep your company up-to-date and competitive technologically.
- We offer support for the equipment you need including: IBM, DEC, HP/COMPAQ, SUN, AMDAHL, H.D.S., EMC, STORAGETEK, and CISCO.
- Our pre-sale technical support makes sure the equipment you select is correct, properly configured and compatible with your existing equipment.
- Our operational support guides you through the critical details of delivery, insurance, physical planning, installation, and ongoing maintenance.

Value

- Our portfolio of equipment combined with our database of 'installed' equipment offers our clients an extensive selection of equipment to choose from at extremely competitive prices.
- We have the experience and relationships in place to maximize your dollars wherever and whenever possible.

about summit funding

Since its inception in 1993, the Summit Funding Group, Inc. has grown to become a full service leasing company that buys, sells, leases and remarkets both new and used capital equipment to corporate clients located throughout the United States.

Our continued success in the industry comes from the flexible, innovative and value-added approach we apply to all of our operating and finance leasing solutions, whether dealing with computer equipment, machinery or office furniture.

Summit currently operates offices in all major markets. These offices, in addition to the Company's administrative headquarters in Ohio are manned by experienced direct end-user salespeople and are specifically located in areas where Summit has built up a core base of retail customers.
